

"AVID provides...high expectations, encouragement, day to day help, a vision of college as attainable, an advocate, and guidance in how to negotiate the system. AVID involves students in a strong group of peers and adults who share a commitment to academic achievement and who work together to help the group succeed."—AVID Center.

## **National AVID Data From AVID Center 2006**

- AVID is at work in nearly 2,300 middle and high schools in 36 states and 15 countries. There are over 122,000 students enrolled in the AVID elective.
- Since 1990, nearly 40,000 AVID students have graduated from high school and gone on to college. 94.3% of AVID students report enrolling in college, 77.1% in four-year institutions and 17.2% in community colleges. The national average for four-year college enrollment is 35 percent.
- AVID students attend the 23 California State University campuses at almost four times the rate of all of California's high school graduates.

...The formula is simple -- raise expectations and provide support...
